SCREAM VI

Alyssa's 2023 Favorites

What's your favorite scary movie?!

BOOK:

THE SCREAM FRANCHISE IS MY ALL TIME FAVORITE. I LOVED SEEING GHOST FACE IN NYC. I LOVED THAT SAM HAD TO LITERALLY LET TARA GO IN ORDER TO MOVE FORWARD. I LOVED SEEING MASON GOODING SHIRTLESS... I THINK I SAW THIS IN THEATERS OVER 4 TIMES

I LOVE A SLASHER EVEN BETTER IF IT'S SLIGHTLY PREDICTABLE AND CAMP. THROW IN THE 80S, TIME TRAVEL, & A CABIN IN THE WOODS A LA FRIDAY THE 13TH AND YOU'VE GOT A WINNER FROM ME. GIVE THIS ONE A TRY IT'S ON AMAZON

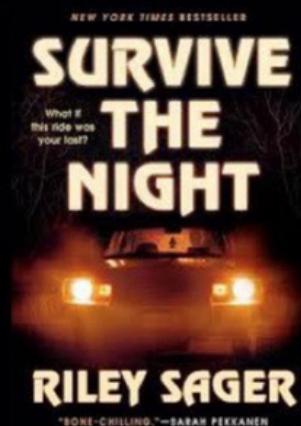

2. Totally Killer

I DIDN'T HAVE HIGH EXPECTATIONS FOR THANKSGIVING BEING A TOP FAVORITE BUT IT REALLY SURPRISED ME WITH HOW MUCH IT FELT LIKE AN EARLY 2000S SLASHER. IT ALSO HAD A UNIQUE FLARE & INTERESTING KILLS. I ONLY SAW THIS ONE TIME IN THEATERS BUT I HAVE TO OWN THIS ONE

3. Thanksgiving

Survive the Night by Riley Sager who is famous for twist endings. It was a quick read & suspenseful/interesting enough for me to want to know what was going to happen in the end so I read it in one sitting. I didn't read as much as I wanted to in 2023 but this book stood out just because I didn't want to put it down.

THE 2024 HORROR THAT MORGAN CAN'T WAIT FOR!

The new year may have just begun, but it's already shaping up to be a great year for the horror genre. With many projects already having their release dates set, and more to come, there's plenty to look forward to in 2024.

One of my most anticipated movies of the year is the *Witchboard* remake, starring Jamie Campbell Bower, which had a trailer released last summer at SDCC. While the film is expected to release this year, it doesn't have an exact release date yet.

What to watch

Alyssa's 2024 picks

Directed by Zelda Williams (Robin Williams daughter) Lisa Frankenstein is a dark comedy/ slasher set in the 80s!! Just in time for Valentine's Day Lisa (Kathryn Newton) falls for a corpse (Cole Sprouse) that has been restored back to life!! Murder, romance, & amazing 80s fashion..whats not to love??? Comes out Feb 6th!!!

Written & Directed by Ti West the final installment in the X trilogy Maxxine played by Mia Goth is set to come out sometime this year! As we follow our final girl Maxine to Los Angeles in the 1980s (side note: the 80s is my favorite decade & I just know West is going to capture it perfectly) in search of the fame & stardom Pearl was hunting for all along but never got. This film is the one I'm most looking forward to on my list

Abigail comes out April 19th with Scream Queen babe Melissa Barrera!!! A remake of Draculas Daughter which I haven't seen but adding to my list now. A group of adults kidnap a child who (surprise) ends up being a vampire....who isn't too pleased. Looks like it's going to be a great one to see in theaters! (I was so happy/sad to see Angus Cloud in the trailer who tragically passed away last year)
